

Beacon!

Following on from the introduction of our new(ish) U3A website, we are pleased to say that we have also now migrated to Beacon — our new member area and admin system.

Both the website and Beacon were designed and developed at the request of the Third Age Trust and are designed specifically for U3As to manage members, groups, outings, and all the other U3A activities going on.

Access to the member area is via the website — salisburyanddistrict.u3asite.uk. There is a new item — **Join/Renew** — along the top banner.

On the **Join/Renew** page are links for new members to join and for existing members to look at their membership records.
